HELSINKI, FINLAND

DISNEY CRUISE LINE PRESENTS

Assistance available at the entrance to the Walt Disney Theatre 30 minutes prior to show time.

Welcome to Helsinki

A Nordic Adventure

Famed for its plentiful parks and green spaces, the landscape of Helsinki offers an endless carpet of forest, with sky blue lakes punctuating the greenery. It's a place where you're more likely to see a herd of reindeer than a polar bear. Helsinki is unique among Northern European cities, with an identity formed by cultural influences from both the East and West. More than 450 years of history, several architectural layers and the impact of different periods can clearly be seen in Helsinki.

The present city center, in Neo-Classical Empire style, was built in the first half of the 19th Century.

With its handsome streets and boulevards, the city has an air of spaciousness, and the white facades of the buildings have earned it the name of the "white city of the North."

Finnish design has also made the country's capital city world famous. The beauty of the surrounding nature blends seamlessly together with high-tech achievements, while old traditions mix with the latest contemporary trends. The city center has many beautiful parks, and the nearby forests woodlands offer an ideal setting for peaceful and quiet walks.

From hot saunas to frozen lakes to strolling the streets in the mid-day sun, Helsinki delivers a wide array of Scandinavian delights!

SAFETY ASHORE INFORMATION

While you will find many great experiences ashore, please remain vigilant about your personal safety and the safety of your belongings. As in any large urban tourist destination, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times. Avoid short cuts, narrow alleys and poorly lit streets.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Identity/Credit Card theft can occur anywhere. Please remain vigilant in monitoring the safe keeping of your personal information.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried close to your body or concealed out of sight.
- Leave air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, passport or other government-issued photo ID. Note: Some ports may require guests to carry passports ashore.
- Most crimes are easier to commit in dark unlit areas. When going ashore at night, please be extra vigilant about your personal safety.

HELSINKI OVERVIEW

During the age of the Vikings the Finns became exposed to both eastern and western influences. Vikings from Sweden used the Åland Islands (colonized by Swedes in the 6th century) as a base for their journeys of pillage and trade into Russia as far south as the Black Sea. Although they did not actually participate in these Viking expeditions, the Finns benefited by the growing contact and the establishment of trading colonies in their country by merchants from Sweden and Gotland. At the end of the 11th century three Finnish tribes had spread as far north as the 62nd parallel: the Finns proper in the southwest, the Tavastians in the interior lake district, and the Karelians to the east. Saami were also living in the wilderness to the north.

Capital by the sea is a metropolis with human dimensions, offering lots to see and experience. Getting around Helsinki is easy as everything is within easy reach and streets are safe. This is no coincidence, as Helsinki's cultural offerings are known for their quality and exuberance.

The Finns' passion for the outdoors play a large role in their national delicacies. From wild game to fresh fish and succulent berries, they rely on their environment for their favorite dishes. Seafood and produce are harvested daily and are readily available in the colorful market displays across the country. The Finns are also celebrated for their breads, particularly rye and sweet-sour, and nothing compares to their sumptuous desserts of pastries and exotic fresh berries, like the heavenly cloudberries.

Helsinki is also called "the Daughter of the Baltic" or "the White City of the North." Leaving the pier passing the icebreakers along the coastal road you will continue to the Senate Square with the elegant Lutheran Cathedral. You will see and visit such sites as Mannerheim Street, which is the main street through the city, where you can see the Parliament House, The National Museum and the Finlandia Hall which is the concert and convention center designed by the famous architect Alvar Aalto. You will continue to the Olympic Stadium where the Olympic Games were held in 1952 and pass the Opera house completed in 1993.

Safety Ashore Information

While you will find many great experiences ashore, please remain vigilant about your personal safety and the safety of your belongings. As in any large urban tourist destination, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times. Avoid short cuts, narrow alleys and poorly lit streets.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Identity/Credit Card theft can occur anywhere. Please remain vigilant in monitoring the safe keeping of your personal information.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried close to your body or concealed out of sight.
- Leave air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, passport or other government-issued photo ID. – Note: Some ports may require guests to carry passports ashore.
- Most crimes are easier to commit in dark unlit areas. When going ashore at night, please be extra vigilant about your personal safety.
