## Welcome to Tallinn

Scandinavia with a Twist

Winding cobblestone lanes and iron street lamps. Gothic spires and medieval markets. Cappuccino and Wi-Fi. This is the dichotomy of Tallinn. If you're looking for a mix of historic ambiance and the cutting-edge culture that defines this ancient city, you'll find it here. Like most cities with an eight-hundred-year-old past, Tallinn is a patchwork of historic areas.

The city's pride and joy is without a doubt its Medieval Old Town. Built up from the 13th to 16th centuries, this enclosed neighborhood of colorful, gabled homes, half-hidden courtyards and grandiose churches is all neatly packaged within a mostly-intact city wall and dotted with guard towers that gives it an extra dose of fairy tale charm.

Equally enchanting is the Kadriorg district, a throwback to the time when Estonia was ruled by the Russian Tsars. Other areas of Tallinn are perfect for those who want to get a glimpse of Soviet-era life, or just want to spend time in the great outdoors.

Follow the web of cobblestone streets and discover a people with an honest and kind attitude and discover why many claim Estonians make the best of friends.

# SAFETY ASHORE INFORMATION

While you will find many great experiences ashore, please remain vigilant about your personal safety and the safety of your belongings. As in any large urban tourist destination, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times. Avoid short cuts, narrow alleys and poorly lit streets.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Identity/Credit Card theft can occur anywhere. Please remain vigilant in monitoring the safe keeping of your personal information.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried close to your body or concealed out of sight.
- Leave air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, passport or other government-issued photo ID. Note: Some ports may require guests to carry passports ashore.
- Most crimes are easier to commit in dark unlit areas. When going ashore at night, please be extra vigilant about your personal safety.

## TALLINN OVERVIEW

The name Estonia (which is Eesti in Estonian language) seems to derive from Aestii, used by a Roman chronicler in 100 B.C. to describe all the tribes east of Germany. Its capital –Tallinn– was first mentioned in written chronicles in 1154 by a famous Arab explorer Al-Idrisi, who back then marked it on its world map as Kolövan. Throughout the history Tallinn has had other names given by its hostile neighbors: Lindanise by the Scandinavians and Reval by the Germans. Eventually the name Tallinn stayed.

The present-day Tallinn was first inhabited in the 10th century when a stronghold was built on Toompea Hill, which ever since remained the seat of the ruling power and the church authorities. The location was chosen by the first settlers for its favorable geographical position—a hillside in the immediate vicinity of the port, which conveniently remained on the East-West trading route.

The advantageous position of the town was an object of desire to many neighboring nations, which, at the end, turned to be a motive for continuous warfare.

In 1219 the first foreign invasion occurred when the Danish invaded Northern Estonia. But 100 years later they got tired of the constant native rebellions, sold the territory to German Teutonic Order for 19.000 silver marks. A couple of centuries passed and the Swedes came and then the Russian Empire conquers the country. Estonia declares its first independence in 1918, which lasted until the first Soviet occupation in 1940, followed by Nazi occupation the year after and the second Soviet occupation in 1944.

The Republic of Estonia enjoys its freedom at the fullest for the last 16 years, when the Soviet regime fell into pieces and a totally new future opened up for many ex Soviet Republics.

Nowadays Tallinn is inarguably a beautiful town, which, in spite of numerous wars, rulers and reconstructions, has managed to retain its medieval environment and structure. Actually, the fact that the town's network of medieval streets, churches and houses has been preserved practically intact, has earned the town an honor to be inserted in the Unesco World Heritage List as a living museum.

### Safety Ashore Information

While you will find many great experiences ashore, please remain vigilant about your personal safety and the safety of your belongings. As in any large urban tourist destination, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times. Avoid short cuts, narrow alleys and poorly lit streets.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Identity/Credit Card theft can occur anywhere. Please remain vigilant in monitoring the safe keeping of your personal information.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried close to your body or concealed out of sight.
- Leave air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, passport or other government-issued photo ID. – Note: Some ports may require guests to carry passports ashore.
- Most crimes are easier to commit in dark unlit areas. When going ashore at night, please be extra vigilant about your personal safety.
