## Welcome to Ålesund

Adventure Capital of the Fjords

The town of Ålesund could be taken right out of a fairy tale. This is a city where residents and visitors alike conquer glaciers, meet trolls, eat like a Viking and swim in the fjords. Ålesund sits on a narrow, fishhook-shaped sea-bound peninsula and is the home base for Norway's largest cod-fishing fleet. It consists of several islands stretching out into the sea, and is situated at the entrance of Geirangerfjord.

After a devastating fire in 1904, the city was rebuilt in curvaceous "Jugendstil" – art nouveau style – and today this architecture remains one of Scandinavia's most complete and harmonious examples of the era. A leisurely walk around the beautiful center of Ålesund offers a unique concentration of these early 20th century buildings.

In its earliest days, the production of klipfish/split cod (dried, salted cod) in Sunnmøre started around 1750, and this became the most important export product of the area, as well as a major source of the economic growth in Ålesund during the middle of the 19th century. Fisheries expanded, Ålesund became a town in 1848, and grew steadily.

Perched at the top of Norway's Western Fjord country, with the spectacular Sunnmøre Mountains as a backdrop, picture-perfect Ålesund offers everything from imaginative medieval ornamentations on its buildings to the natural wonders that surround you. So explore, discover and soak in all that is Ålesund.

Check your port adventures tickets for your tour meeting time and location. Stop by the Port Adventures Desk located on Deck 3, Midship for tour availability and information, where our team will be delighted to help you plan your vacation.

# SAFETY ASHORE INFORMATION

While you will find many great experiences ashore, please remain vigilant about your personal safety and the safety of your belongings. As in any large urban tourist destination, you'll want to take some basic precautions to make the most of your time ashore.

- Be aware of your surroundings at all times. Avoid short cuts, narrow alleys and poorly lit streets.
- Avoid wandering from the main shopping and tourist areas into unfamiliar territory. If venturing out independently, have a plan, use only licensed taxi operators.
- Identity/Credit Card theft can occur anywhere. Please remain vigilant in monitoring the safe keeping of your personal information.
- Leave valuables in your room safe and avoid carrying large amounts of cash. Exercise caution when using ATMs. Cameras and handbags should be carried close to your body or concealed out of sight.
- Leave air transportation tickets and other travel documents in your room safe. When going ashore, each adult is required to carry a Driver's license, passport or other government-issued photo ID. Note: Some ports may require guests to carry passports ashore.
- Most crimes are easier to commit in dark unlit areas. When going ashore at night, please be extra vigilant about your personal safety.
