

## TABLE TALK

On a Disney cruise you'll find a variety of restaurants offering tempting treats for every member of the family.

**F**eaturing all the tastes and sounds of a Caribbean island grill house, PARROT CAY (Deck 3 aft) is the perfect setting for a colorful lunch or dinner. Aft on Deck 4 is ANIMATOR'S PALATE, offering a dining experience that celebrates both the magic of animation and the creativity of the Disney chefs. Fine dining is part of the menu, whether you're aboard *Disney Magic*®, where

LUMIERE'S serves exquisite continental cuisine with French flair, or on *Disney Wonder*®, where TRITON'S offers fine dining "under the sea." Both are at midship on Deck 3.

PALO, aft on Deck 10, is reserved exclusively for Guests 18 and older and offers Northern Italian cuisine with an onstage kitchen and a breathtaking ocean view. Reservations are accepted on a first-come, first-served basis. There is an

additional surcharge for dining at PALO. Refer to your *Personal Navigator* for more information.

Casual options — TOPSIDER BUFFET on *Disney Magic* and BEACH BLANKET BUFFET on *Disney Wonder* — are on Deck 9 aft. Just around the corner, you'll find GOOFY'S GALLEY, where you can satisfy those between-meal cravings with self-serve ice cream, a salad station and fruit stand, fresh pastries, wraps, toasted paninis

and sandwiches. Be sure to check out PLUTO'S DOG HOUSE and PINOCCHIO'S PIZZERIA on Deck 9 midship for the tastiest hot dogs, hamburgers, fries and pizza!

Soda is available free of charge at any of the full-service restaurants on board, including TOPSIDER BUFFET (*Magic*®), BEACH BLANKET BUFFET (*Wonder*®) and COOKIE'S BBQ/LOOK OUT COOK OUT on *Castaway Cay*. In addition, there is a 24-hour complimentary beverage station on the port side of the ship close to MICKEY'S POOL.

Enjoy a pre-show cocktail at PRELUDES, forward on Deck 4, right outside the WALT DISNEY THEATRE. Next to the QUIET COVE POOL, COVE CAFÉ provides adult Guests with a quiet spot all their own where they can escape during the day and enjoy the beauty of the outdoors away from the elements. Here you can sip a cool drink, savor a gourmet coffee or enjoy a between-meal snack in an ambience that's a bit more "grown-up" than the other options on deck. Also located at the QUIET COVE POOL, on Deck 9 forward, SIGNALS

features a terrific selection of drinks and an attentive staff ready to deliver a beverage right to your poolside lounge chair.

Of course, room service is available 24 hours a day if you wish to dine in your stateroom.

### ROTATION DINING

All meals and soft drinks are included as part of your package while on board your Disney cruise. Your table number remains the same as you rotate through three memorable dining venues — PARROT CAY and ANIMATOR'S PALATE on both ships, LUMIERE'S on *Disney Magic* and TRITON'S on *Disney Wonder* — each offering a different setting and culinary experience.

Your service team, including your server, assistant server and head server, will be rotating with you to serve you each evening. Your server and assistant server will take care of your table each night throughout your cruise. Your head server, who will stop by and introduce him/herself, is there to make sure everything exceeds your expectations. If you have compliments or concerns about anything, please let your head server know.

You'll be assigned a dining time for each evening. Exact dining times and each night's restaurant location are listed on your dining tickets. Festivities start promptly at your assigned time, so don't be late. You won't want to miss even a moment!

### DID YOU KNOW?

Of nearly 5,000 eggs consumed on a Disney cruise at breakfast every morning, 1,956 will be scrambled, 552 will be prepared sunny-side up, 480 will be soft-boiled, 984 will become omelets, and the remaining 1,028 will be used for other egg dishes.

### WHAT TO WEAR

For dinner at PALO, dress pants and shirt or jacket is required for men, and a dress or pantsuit is required for women. At High Tea (on *Disney Magic*) and champagne brunch (four nights and longer cruises), appropriate PALO attire is "cruise casual" — no jeans, shorts, swimwear or tank tops, please.

On formal night, dress pants and shirt or jacket for men and a dress or pantsuit for women are suggested. On all other evenings, we recommend you wear "cruise casual."

### CORKING FEE

An \$18 corking fee will be charged to your shipboard account for each bottle of wine brought into the dining room that was not purchased on board the ship.

### SPECIAL DINING OPTIONS

*Not available on three-night cruises*

On sea days, grown-ups can enjoy a relaxing, sophisticated champagne brunch at PALO. In the afternoon on the *Disney Magic*, PALO offers High Tea for adults, featuring a selection of teas, tea sandwiches, scones, jam tarts and other treats. Cruise-casual wear is suggested for these elegant affairs (no jeans, shorts, swimwear or tank tops). There is an additional charge for champagne brunch and High Tea. Refer to your *Personal Navigator* for more information.

Disney Guests of all ages (on cruises consisting of four or more nights) enjoy themed dinners. *Pirates IN the Caribbean* immerses Guests in a rollicking adventure of a pirate's life at sea. The event starts in the dining room, where crew members are dressed in special pirate costumes. A themed dinner menu and impromptu parade encourage both children and adults to get involved with the fun and experience the pirate lifestyle.

**FOR DISNEY MAGIC® GUESTS**

Guests on cruises lasting seven days or longer can dress in their finest formal wear at the Prince and Princess dinner, a gala meal under the stars, showcasing the finest specialties. The Captain's Gala dinner, a cruising tradition, is another occasion to wear your finery — and savor traditional world-class culinary offerings. On the final night of the cruise, the Till We Meet Again dinner showcases favorite dishes from an American-inspired cuisine. On these special theme nights, the same menu is served in all three dining rooms.

Late-night cravings will be more than satisfied with a unique twist on traditional late-night fare on the *Disney Magic* — a midnight buffet. For those with a serious sweet tooth, LUMIERE's hosts a gala dessert buffet on one special night, featuring delicious specialties from around the world.
