Luggage tags are being provided to assist you in locating your luggage in the Port Canaveral Terminal. Please write your stateroom number, name, address and number of bags on these tags (e.g. 1 of 2). Remove any old airline or blue Disney tags. Attach the new tags to your luggage and place it outside your stateroom between 9:00pm and 11:00pm for complimentary delivery to the ship's terminal. Any luggage not placed outside the stateroom by 11:00pm must be hand carried by the guest when disembarking the ship. We suggest that you pack all valuables such as cash, negotiable securities or other financial instruments, gold, silver, jewelry, ornaments, works of art photographic/ video/audio equipment or supplies, laptop computers, cellular phones, breakables such as perfume & liquor, medicines or other valuables in your day bag to be kept with you throughout your journey. Your belongings will be stored and conveniently located in colored zones, according to stateroom number, for easy recognition in the port terminal. Once you locate your luggage, porters will be available to assist you as you proceed through U.S. Customs and Border Protection. For our Guests traveling on airlines, Please remember that the Transportation Security Administration has strict regulations and restrictions on the transportation of gels and liquids in your hand luggage. NOTE: While we realize it is customary for Guests to hand carry their alcohol purchases aboard flights, it is now required for Guests traveling by air to pack them only within their checked luggage. The Transportation Security Administration suggests that all passengers, flying through U.S. airports, unlock all Checked Baggage. Baggage may be searched at any time and locks may be broken if a physical inspection is required (This will be addressed by airline personnel when accepting Guest luggage). They also suggest removing all unprocessed film and cameras with undeveloped film from your luggage.

It is very important that you do not pack any of your citizenship documentation. You will need to present a passport or birth certificate for each member of your family to Customs and Border Protection as you disembark the ship. You will also need your completed and signed U.S. Customs Declaration Form.

In accordance with Federal law, NO fresh fruits, vegetables, plant materials or meats of animal products may be brought back into the United States. Heavy fines may be imposed on guests found with these items.  
Green Palm handicrafts are discouraged for possible red mite infestation.

## U.S. CUSTOMS AND BORDER PROTECTION

After collecting your luggage, all Guests (U.S. and Non U.S.) in your party must present themselves for inspection with a U.S. Customs and Border protection Officer. All Guests are required to have proof of citizenship and U.S. Customs Declaration form (one per household) in hand ready for inspection.
